

MOORE THEATRICS

Invites Grades 3-5
to never grow up and get to know
Wendy & Peter Pan

Ahead of our upcoming performances, Moore Theatrics is inviting grades 3-5 to participate in a workshop inspired by *Wendy & Peter Pan*. This workshop is a great introduction to Ella Hickson's version of J.M. Barrie's much-loved story as she puts the character of Wendy firmly centre stage, in an adaptation that is refreshingly modern but never loses the charm of the original.

Winter 1908. Snow is falling across London. Wendy Darling and her brothers sleep peacefully in their bedroom, as their parents bicker downstairs. In a sudden flurry of snow their window blows open, and into their lives tumbles a mischievous boy called Peter, followed by a fractious fairy called Tink.

With the aid of a little fairy dust, Wendy agrees to fly with Peter to Neverland, seeing not only the promise of an awfully big adventure, but also the chance to rediscover the key to her parents' lost happiness. Once there, she will give the Lost Boys a run for their money, defeat Captain Hook and his pirate crew, and ultimately, learn what it means to grow up.

We will explore characters and their relationships through kinesthetic movement, music, and take a behind the scenes tour of the Moore Theatrics' stage. Participants will receive one ticket to attend a performance of their choice (attending adult required) and a show promotional poster.
